

## Cool, Casual, Coastal California

Join us for lunch, a bonfire, and s'mores on the beach\*

On the sands of beautiful Del Monte Beach, the Monterey Beach House boasts unparalleled panoramic views of the Monterey Peninsula and one of the best views of the stunning Pacific Ocean and coastline in California.

Relax to the sounds of the surf and perhaps catch a glimpse of local sea life.

After a delicious lunch, A Taste of Monterey Wine Ambassadors will share information on this unique wine growing region and a taste of the best the local grapes have to offer.

We'll close out the afternoon with a beach bonfire, the perfect opportunity for toes-in-the-sand roundtable discussions and s'more networking.

\*Flip Flops optional
